Freestyle Rules

Below are rules for our less experienced skaters when on a freestyle session. Please remember these rules are for everyonege safety.

In addition, we appreciate your cooperation by picking up a copy of our full detail rule and procedures sheet. We also want to remind parents that the fees charged by your coach for a private lesson **DO NOT** include ice time. It is the parent responsibility to see the Freestyle Supervisor for payment of all ice fees **prior** to taking the ice.

WARNING, SKATERS MUST MOVE OUT OF A SOLOIST WAY WHILE THEIR MUSIC IS BEING PLAYED!

- 1. Prior to taking the ice, skaters and parents **MUST** check in with the Freestyle Supervisor and pay for ice time
- 2. If it is your first time, a parent MUST sign a waiver
- 3. Hand in music at check in time (MUSIC WILL BE PLAYED IN ORDER IT IS RECEIVED, unless there is a pro cut)
- 4. Skaters Gamma and below must be with a coach at ALL TIMES!
- 5. Skaters must wear a vest when their name is called for a solo
- 6. Spins are to be done in the middle of the ice (in between the center blue lines)
- 7. Jumps are to be done in the 4 corners
- 8. Skaters MUST move out of the way quickly when a skater is doing his or her solo
- 9. Skaters must get up from a fall as soon as possible to avoid a potentially hazardous situation
- 10. Parents **CANNOT** instruct their skaters from the boards

All questions should be directed to the Freestyle Supervisor on duty or your Private Coach. Thank you in advance for your cooperation in providing a safe environment for everyone.

I have gone over the Freestyle Rules with my student and their parent.
