TOT & BEGINNER CLASSES

With your child's safety in mind, we have decided to **NOT** offer any Tot or Beginner skating lessons for our Summer 2020 session, as these classes require a great deal of contact between skaters & instructors and amongst the skaters themselves. As long as there are no mandated restrictions in the Fall, we do plan to offer these levels again starting in September.

CUSTOMERS NEEDING TO RENT SKATES, PLEASE READ:

Skate rental will only be available for lessons. Anyone needing to rent skates will be expected to pay \$24 up front (covers the normal 8 week rental fee) **PLUS** a \$25 deposit and use a specific pair of skates that will be taken home for the duration of the class. Your \$25 will be refunded to you by check mailed to your home at the end of the session after skates are returned or can be used as a credit toward Fall classes.

Please help us maintain a safe and clean facility by adhering to our procedures for re-opening.

*Face coverings must be worn by all patrons in common areas of the building, over the age of 2 and medically able to. Skaters may remove masks (if they choose) once they are on the ice surface but must put them back on when they step off the ice.

*All skaters are to enter the facility dressed and ready to skate. Arriving no more than 15 minutes prior to class time.

*Any warming up/stretching must take place outside, before entering.

*Only parent or guardians designated to assist with skates on and skates off should enter the building with their skater and maintain social distancing while in spectator areas.

*Enter and exit the facility through specified entry and exit doors.

*Follow the designated traffic pattern in the facility and maintain social distancing while in the facility.

*Drinking fountains will not be available. Please bring a labeled water bottle or water/beverages can be purchased from our vending machines.

MORE ABOUT OUR SKATING

SCHOOL...

Skating requires consistent practice!

Students and parents are reminded that skating is a skill that requires practice in order to advance to the next level.

Students should plan to practice in addition to their weekly lesson. This summer we will offer Public Sessions on weekends only at a reasonable price. In addition, students may choose to augment their lesson with a freestyle session. There are several half hour weekday freestyle sessions for students Gamma and below who are working with a private instructor. For our more advanced skaters, freestyle ice is available six days a week. Please see our front counter staff or visit our website for a schedule of available times.

As a guide, students should practice weekly in addition to their lesson on the following scale:

Tots, Beginners, Pre-Alpha	1 to 1-1/2 hours
Alpha/Beta/Gamma/Delta	1-1/2 to 2 hours
Freestyle 1-4	2 to 3-1/2 hours
Freestyle 5 and above	3-1/2 to 6 hours

PRIVATE LESSONS

We offer private lessons for skaters at any level. Our professional coaches can help your skater achieve their goals. Would you like more information? Pick up a Private Lesson flyer at the ice arena or download one from our website fpice.com.

SUMMER TESTING PROCEDURE

Panel testing will be conducted on August 11, from 4:30-6:00pm for students in the Alpha 2-Freestyle levels. Skaters will be recommended to test by their group lesson instructor based on their progress in the class. All students not recommended for testing will receive a Progress Report. Panel testing will ensure consistency of the passing standard throughout the entire Skating School.

When a skater is recommended, they will attend the test session on **Tuesday, August 11** with a panel of coaches that will evaluate their skills to determine if they are ready to move to the next level for the Fall session.
