

Panther Paws Instructional Youth Hockey

Our Panther Paws classes cover skating and hockey basics for ages 3 and up. Classes meet 30-60 minutes and the time is dedicated to skill development through drills and on-ice games. Panther Paws consists of 4 levels or groups where skaters begin in Group 1 and progress as their skating and hockey skills improve.

All students who are NEW to the Panther Paws program must register for Group 1. Based on their skill level, they may be reassigned to a higher group (**Additional fees apply for moving up groups**).

A hockey helmet with a cage is required for Groups 1-2. Group 3 requires a hockey helmet w/ cage, hockey gloves & hockey stick. Groups 4 requires full equipment with exception to shoulder pads. Hockey skates can be rented weekly at the front desk.

Please help us maintain a safe and clean facility by adhering to our procedures:

*Face coverings must be worn by all patrons in the building, over the age of 2 and medically able to. Skaters must continue to wear their face coverings while on the ice.

*To help us limit the number of people in our facility at any given time, only ONE parent or guardian designated to assist with skates on and skates off should enter the building with their skater. **If your child is 9 years & older, we ask that you exit the building after assisting with skates on & return when class is over.**

*You and/or your skater must stop at our check-in station at the front desk to confirm your daily health screen has been completed. This daily health assessment can be found on the home page of our website.

*All skaters are to enter the facility dressed and ready to skate, arriving no more than 15 minutes prior to class time.

*Enter and exit the facility through specified entry and exit doors and utilize the hand sanitizer provided throughout.

*Follow the designated traffic pattern in the facility and maintain social distancing while in the facility.

*Drinking fountains will not be available. Please bring a labeled water bottle or water/beverages can be purchased from our vending machines.

*These guidelines may change or be added to leading up to the start of or during the session.
