

SUMMER 3x3!

Session Dates: June 14 - August 4

Tuesdays and/or Thursdays. Pick one day or pick both!

3x3 is run using a fun, scrimmage format which allows for players to work on their game and get creative. With very few whistles, this "take it and go" style maximizes ice time and puck touches. Goaltenders will face a large number of shots from close and long range. This encourages quick thinking and quick feet!
