Picture Day

All group and solo pictures will be professionally taken by *VIP Photography, Inc.* on **Saturday, May 7**

There will be no make-up photo day. The schedule for the specific time of your group picture has been emailed & is available online, at the front desk and is posted on the back wall show board. All skaters should be in complete costume with skates on. Please make sure if you are in Tots, Alpha or Beta, you will need "over the boot" tights with no holes in them. Please make sure your hair and make up are done. Also make sure your skater appears in all group photos they are skating in, regardless of whether you plan on buying that group photo. You can purchase a photo package ahead of time.

You should've received a link via email that will be used to view & purchase your photos online.

Video Taping

Sunday's show will be professionally recorded by Chicago Star Productions & made available for you to purchase as a download to your computer.
