

Whether you're a Tot or advanced level skater, we want YOU to be a part of our Spring Ice Show!
It's as easy as 1...2...3!
Here's how...

One! Students will need to be enrolled in Session 2 (Winter) and Session 3 (Spring) of Skating School group classes in 2024.

Two! Register by February 10th, being sure to submit your costume size & full payment. **Spring ice show fees are non-refundable once costume orders have been placed.** Included in your fee will be: rehearsal time, professional choreography & a quality costume. You may need to provide small costume accessories such as tights, gloves, boot covers, etc.

Three! Attend your scheduled group rehearsals, run-thru, dress rehearsal and perform in all three shows. The tentative rehearsal schedule is included in the following pages. Check it carefully before registering for the show so you know if you can attend. Consistent participation during rehearsals is extremely important.

What do I register for? Your current Session 2 (Winter) class = your ice show group. Skaters who are enrolled in our Specialty classes are invited to sign up for *more than* one ice show number (see rehearsal schedule to find out what additional #'s you qualify for).

Make sure we have your email! Any changes or additions to the schedule will be emailed to you, along with important instructions as we get closer to run-thru, dress rehearsal and show days. These will also be posted on the Ice Show page of our website.
