

SPRING ICE SHOW SCHEDULE FOR PHOTO DAY: **May 11, 2024**

***FUSION & GLOW SK8 & SPECIALTY ONLY*:** **May 14th**
(On Ice Photos) ***NEW***
See Attached Document for the May 14th Groups

YOU LOOK MARVELOUS!!!

Have your ice show photo taken by a professional for a wonderful remembrance of your performance. Group and individual pictures are taken. You may even request to have a photo taken with a special friend or sibling.

Please Note: Scheduling was very difficult this year with skaters in multiple numbers, rehearsals and classes. It is possible that you may need to skate a class or go to rehearsal in costume. We will do our best to keep to the schedule, but please understand that there may be some overlap and we would appreciate your cooperation.

Don't forget to:

- ⇒ Wear your costume and skates!
- ⇒ Report to the Meeting Room at your assigned time!
- ⇒ **Suntan "over the boot tights" for Tots, Pre-Alpha and Alpha/Beta. All other groups will need Suntan "in the boot tights".** Both are available in the pro shop!
- ⇒ We want you in all pictures that you skate in!
- ⇒ **Don't be late!**

**PHOTO DAY IS
SATURDAY MAY 11th!**

We will be using Visual Image Photography
