More About Our Skating School...

Skating requires consistent practice! Students and parents are reminded that skating is a skill that requires practice in order to advance to the next level. Students should plan to practice in addition to their weekly lesson. This summer we will offer Public Sessions on weekends only, at a reasonable price. In addition, students may choose to augment their lesson with a freestyle session. There are several half hour weekday freestyle sessions for students Gamma and below who are working with a private instructor. For our more advanced skaters, freestyle ice is available six days a week. Please see our front counter staff or visit our website for a schedule of available times. As a guide, students should practice weekly in addition to their lesson on the following scale:

Tots, Beginners, Pre-Alpha	1 to 1-1/2 hours
Alpha/Beta/Gamma/Delta	1-1/2 to 2 hours
Freestyle 1-4	2 to 3-1/2 hours
Freestyle 5 and above	3-1/2 to 6 hours

Private Lessons

We offer private lessons for skaters at any level. Our professional coaches can help your skater achieve their goals. Would you like more information? Pick up a Private Lesson flyer at the ice arena or download one from our website fpice.com.
