More about our Skating School

Skating requires consistent practice! Students and parents are reminded that skating is a skill that requires practice in order to advance to the next level. Students should plan to practice in addition to their weekly lesson. We will offer Public Sessions daily, at a reasonable price. In addition, students may choose to augment their lesson with a freestyle session. There are several half hour weekday freestyle sessions for students Gamma and below who are working with a private instructor. For our more advanced skaters, freestyle ice is available six days a week. Please see our front counter staff or visit our website for a schedule of available times.

As a guide, students should practice weekly in addition to their lesson on the following scale:

Tots, Beginners, Pre-Alpha	1 to 1-1/2 hours
Alpha/Beta/Gamma/Delta	1-1/2 to 2 hours
Freestyle 1-4	2 to 3-1/2 hours
Freestyle 5 and above	3-1/2 to 6 hours

Private Lessons

We offer private lessons for skaters at any level. Our professional coaches can help your skater achieve their goals. Would you like more information? Pick up a Private Lesson flier at the ice arena or download one from our website fpice.com.
